

## BOY SCOUT TROOP 132 1969 Annual Report

---

Our Scoutmaster is Brian Dahlgren, and Assistant Scoutmaster, Jeff Norman.

We want to make the congregation aware of the fine performance of Troop 132. We encourage you to register your son in Mt. Carmel's Troop 132. The program of swimming, camping, and scouting activities will certainly benefit your boys. Your young boys deserve what scouting can offer.

The past year has been both fun and educational for our Troop 132 with the highlight of summer camp at Many Point for two weeks. At present we are looking forward to winter camp at Apple River for a double overnight.

To date Troop 132 has twenty men with Pro Deo awards and fourteen Eagle Scouts. PLEASE CONSIDER TROOP 132 FOR YOUR BOYS.

Respectfully submitted,

Orville G. Hauge
