

BOY SCOUT TROOP 132 1970 Annual Report

The year of 1970 marked a successful year for Mt. Carmel Boy Scout Troop 132. Everyone had fun camping, swimming and a lot of "boys learning and yearning" thrown in. Every troop member agreed they had the best year of their scouting lives. The adults as well as boys enjoyed it most heartedly.

We feel obliged to ask and suggest to all Mt. Carmel boys of Cub and Scout age to join the Cub or Scout Troop of Mt. Carmel. You'll be glad you did.

Our Scoutmaster, Brian Dahlgren, worked hard to make it an epic year. His plans taking the troop hiking and conservation to Rochester ,two full weeks at Many Point Scout Reservation, two trips to Apple River and St. Croix State Park, Scout Camporee and several other outings did much to advance the brotherhood of scouting in the Mt. Carmel troop, camp crafts, and general camping knowledge.

Our Scout Committee composed of Brian Dahlgren, Scoutmaster; Graham Kairies, Institutional Representative; Dr. Kirk, Advancement; John Leschisin, Camper; Mike Seladic, finance; Joseph Warhol, Transportation; and Orville Hauge, Chairman, worked very hard to make it a prosperous year.

We now have an Assistant Scoutmaster; Ken Henke, working with Brian Dahlgren. He brings past experience to our troop. Brian and Ken will work together as an excellent team. You parents should try to encourage your boys to participate in Troop 132 activities. It belongs to Mt. Carmel. Your support is necessary. Let's make 1971 a year to be proud of and show Mt. Carmel and Pastor Palmquist we appreciate his leadership and make Troop 132 an excellent working arm of our fine congregation. Let's try to make it a togetherness project again as in the past.

Respectfully submitted,

Orville Hauge,
Chairman
