

BOY SCOUT TROOP 132 1972 Annual Report

This year has been a rebuilding year at Mount Carmel. Twenty-three young men have been active in Scouting. Much progress has been made with the younger men. Dr. Kirk-Scoutmaster, his son, Douglas Kirk-Assistant, and James Voytovich-Assistant, have worked hard to help forwarding younger Scouts. Spring Camporee was attended, monthly outings have been planned to Boot Lake, one week at Many Point, Camp Heritage, Apple River and Wm. O'Brien Park. We've had several advancements as follows: 3 boys to Star, 1 to Eagle, 3 Second Class, 2 First Class, and 1 Life.

We need a healthy Scout Troop at Mount Carmel. We encourage more people to make use of Mount Carmel Troop 132 as their Troop. Should they have any questions, contact Dr. Kirk, Orville Hauge, or Chuck Olson.

Respectfully submitted,

Orville G. Hauge,
Chairman
