

BOY SCOUT TROOP 132 1976 Annual Report

At this date the Troop has nine active Scouts and two assistant Scoutmasters. Jim Voytovich, who served as Scoutmaster for the past 2½ years and is attending Bemidji State College as of this past Fall. We want to thank Jim for his very able contribution to our Troop and wish him success in his years in college.

Troop activities for the past year have consisted of Spring and Fall District Camporees, the long term summer camp at Many Point where six Scouts, two leaders and three fathers had a great experience. A weekend outing at Fred C. Anderson Scout Camp near Stillwater was held in October.

Five Scouts are planning to attend the National Jamboree at Moraine State Park in Pennsylvania this summer. Fund raising for thus and other Troop expenses have included four paper sales and a Christmas wreath sale this past year.

The Troop at this time needs a Scoutmaster, preferably a member of Mount Carmel.

Many thanks go to John Fiegal and Doug Kirk who are serving as assistant Scoutmasters and are doing a great job as such. Thank you also to Mount Carmel for providing the sponsorship of our Troop and the facilities for our meetings.

Respectfully submitted,
Charles Olson
Committee Chairman
